PRESS RELEASE

aquatherm goes UK: Located South of London

Attendorn, March 26, 2018: – The medium-sized family enterprise aquatherm, is today announcing the foundation of a distribution company within the United Kingdom.

Thirteen employees form part of the aquatherm U.K. Ltd organisation which has office & warehouse facilities located in Burgess Hill, West Sussex, approx. 60 km south of London.

aquatherm the manufacturer of PP-R pipe systems, has 6 independent subsidiaries which includes 2 in Germany, 1 in Italy, 1 in the USA, 1 in Canada and now the UK.

“The UK has always been an important part of our business model” says managing director Dirk Rosenberg. “We have progressively become more involved with the UK market and see the potential growth opportunities for our products and their applications. Therefore, we have decided to come to the forefront and invest in the UK irrespective of the potential withdrawal of the United Kingdom from the European Union. “
